## SUBJECT INDEX

In general, subject headings are based on the National Library of Medicine's Medical Subject Headings (MeSH). A few additional headings are used for greater specificity in the psychiatric field.

### Acquired immune deficiency syndrome (AIDS)

HIV infection and risky sexual behaviors among women in treatment for noninjection drug dependence (alcohol & drug abuse), Nov 1197-1199

Illicit-drug injection among psychiatric patients without a primary substance use disorder, Feb 181-185

Needle exchange programs receive APA endorsement, Nov 1282

### Activities of daily living. See Social and living skills

### Adaptation, psychological

Homelessness, negative affect, and coping among veterans with gambling problems who misused substances, Mar 298-299

Impact of a psychiatric outreach service for homeless persons with schizophrenia, June 644-646

Is adaptive coping possible for adult survivors of childhood sexual abuse? Feb 186-188

### Administration. See Organization and administration

### Adolescents. See Child psychiatry, adolescent psychiatry; and Children, adolescents

### Advance directives

A survey on use of advance directives for mental health treatment in Oregon, Dec 1387-1389

### Affective disorders

Conference on undertreatment of depression urges more effective advocacy by patients and families, Mar 318-319

Depression among aging persons with schizophrenia who live in the community, June 601-607

"Echoes from a dungeon cell": a doctor's view of his incarceration (personal accounts), June 581-582

Family burden of schizophrenia and bipolar disorder: perceptions of relatives and professionals, May 507-511

Incidence of and risk factors for delirium among psychiatric inpatients, July 727-730  
Major depression and bipolar disorder, Sept 1012  
The mind and the butt (personal accounts), Feb 141-142  
Psychiatric labels: still hard to shake (personal accounts), Dec 1329-1330  
Relation of denial of alcohol problems to neurocognitive impairment and depression, Mar 306-308  
A saving grace (personal accounts), Oct 1051-1052  
Sponsors sought for National Depression Screening Day sites, May 547  
Symptoms of stress disorder and depression among trauma counselors after an airline disaster, Apr 424-426  
Ten-year use of hospital-based services by geriatric veterans with schizophrenia and bipolar disorder, Sept 961-965  
Variation among VA hospitals in length of stay for treatment of depression, June 608-613

#### Aftercare

Predictors of receipt of aftercare and recidivism among persons with severe mental illness: a review, May 487-496  
Recovery, Inc, as an adjunct to treatment in an era of managed care, Dec 1378-1381  
Rural and urban differences in continuity of care after state hospital discharge, June 652-654

**Aggression.** See Violence, aggression

**Alcohol abuse, treatment.** Also see Comorbidity; and Substance Abuse, treatment  
Alcoholism among elderly persons (practical geriatrics), Sept 941-943  
Characteristics of patients with substance abuse diagnoses on a general psychiatry unit in a VA medical center, Oct 1104-1107  
Closing the gap between alcoholism research and practice: the case for pharmacotherapy (alcohol & drug abuse), Sept 917-920  
Federally funded drug and alcohol programs found effective in reducing drug use, crime, homelessness, Nov 1280-1281  
Reduced substance-abuse-related health care costs among voluntary participants in Alcoholics Anonymous, July 709-713  
Relation of denial of alcohol problems to neurocognitive impairment and depression, Mar 306-308  
Self-reported effects of alcohol use on symptoms of schizophrenia, Apr 421-423

#### Alzheimer's disease

Advances in pharmacotherapy for decline of memory and cognition in patients with Alzheimer's disease (practical geriatrics), Mar 249-253

**American Psychiatric Association.** Also see American Psychiatric Association Achievement Awards  
APA outlines principles of psychiatric practice and obligations to patients under managed care, Jan 101  
APA position statement recommends routine screening of all patients for substance abuse, Feb 208  
Awards presented to more than 40 individuals, organizations during APA's 149th annual meeting, June 663-665  
Guideline on treatment of nicotine dependence is latest in APA series of practice guidelines, Oct 1140-1141

Harold Eist is APA's new president; Herbert Sacks chosen president-elect in mail voting, May 546  
How're we doing? (taking issue), Jan 7  
Needle exchange programs receive APA endorsement, Nov 1282

#### American Psychiatric Association Achievement Awards

Gold Award: Comprehensive prenatal and postpartum psychiatric care for women with severe mental illness: University of Illinois at Chicago Women's Program, Chicago, Oct 1108-1111  
Gold Award: Integrated mental health and substance abuse services to at-risk families: The Family Health Program of the Center for Mental Health, Inc, Washington, DC, Oct 1112-1114  
The 1996 Achievement Award winners, Oct 1108  
Significant Achievement Award: FACES Maimonides Theatre Network for Teens: Department of Psychiatry, Maimonides Medical Center, Brooklyn, New York, Oct 1115

#### Anxiety disorders

Computer-assisted treatment of phobias (clinical computing), Feb 139-140,142  
A preliminary study of partial hospital management of severe obsessive-compulsive disorder, Feb 170-174

#### Appointments and schedules

Predictors of missed appointments for psychiatric consultations in a primary care clinic, Aug 848-852

#### Architecture, design

Re-engineering the state hospital to promote rehabilitation and recovery (rehab rounds), July 697-698,701

**Assaults.** See Violence, aggression

#### Attitude of health personnel

Increasing staff knowledge of and improving attitudes toward patients with borderline personality disorder, May 533-535

Mental health clinicians' attitudes about reporting threats against the President, Aug 832-836

#### Attitude, public

Bar examiners can't ask about mental health, Apr 440  
Psychiatric labels: still hard to shake (personal accounts), Dec 1329-1330  
Public perceptions of former psychiatric patients in England, Nov 1253-1255  
A saving grace (personal accounts), Oct 1051-1052

**Audiovisual reviews.** See Reviews, audiovisuals

**Book reviews.** See Reviews, books

#### Borderline personality disorder. Also see Personality disorders

Factors associated with multiple hospitalizations of patients with borderline personality disorder, June 638-641  
Increasing staff knowledge of and improving attitudes toward patients with borderline personality disorder, May 533-535

#### Business information for readers

Jan 8, Feb 118, Mar 224, Apr 334, May 456, June 558, July 680, Aug 794, Sept 904, Oct 1026, Nov 1158, Dec 1294

#### Calendar

Jan 24,31, Feb 144-145, Mar 245-246, Apr 340,358, May 476,485, June 572,596, July 706,774, Aug 816-817, Sept 912, 944, Oct 1042-1043, Nov 1168,1188, Dec 1308-1309

**Caregivers.** See Family

#### Case management, community-based

Assertive community treatment of severe mental illness: a Canadian experience, July 757-759

Case management and managed care: investing in recovery (managed care), July 699-701

Case management: two nations still divided (taking issue), Aug 793

Characteristics and activities of case managers in the RWJ Foundation Program on Chronic Mental Illness, July 737-743

Client outcomes in a three-year controlled study of an integrated service agency model, Dec 1337-1343

Client outcomes in two model capitated integrated service agencies, Feb 175-180

A comparison of two levels of family-aided assertive community treatment, July 744-750

Consumers as employees in mental health: bridges and roadblocks (rehab rounds), Sept 939-940,943

Deaths among former psychiatric inpatients in an outreach case management program, Apr 398-402

Effect of centralized intake on outcomes of substance abuse treatment, Nov 1233-1238

Effects of mental health services reform on clinical practice in the United Kingdom, Dec 1351-1355

- Emerging issues in international mental health services research, Apr 371-375
- Engaging significant others: the Tom Sawyer approach to case management (social work update), Aug 799-801

- The state of the state mental hospital in 1996, Oct 1071-1078
- "Sylvia Frumkin" has a baby: a case study for policymakers, May 497-501

Ten-year use of hospital-based services by geriatric veterans with schizophrenia and bipolar disorder, Sept 961-965  
Ultra-short hospitalization for severely mentally ill patients (best practices), Feb 137-138

#### Clozapine

A centralized system for monitoring clozapine use in British Columbia, Jan 81-83  
Clozapine and agranulocytosis (psychopharmacology), Nov 1177-1178  
Clozapine and excessive psychotropic drug use (letter), Aug 876. Also see Use of clozapine with nonresponsive patients (letter), Dec 1392  
Effectiveness of clozapine and a social learning program for severely disabled psychiatric inpatients, Jan 46-51  
Effects of switching inpatients with treatment-resistant schizophrenia from clozapine to risperidone, Dec 1382-1384  
Effects of the clozapine national registry system on incidence of deaths related to agranulocytosis, Jan 52-56  
Long-term impact of clozapine and psychosocial treatment on psychiatric symptoms and cognitive functioning, Jan 41-45  
Restarting clozapine: a case report (letter), Jan 92

#### Cognition deficits, disorders

Advances in pharmacotherapy for decline of memory and cognition in patients with Alzheimer's disease (practical geriatrics), Mar 249-253  
Preliminary evaluation of cognitive adaptation training to compensate for cognitive deficits in schizophrenia, Apr 415-417  
Relation of denial of alcohol problems to neurocognitive impairment and depression, Mar 306-308

#### Commitment, involuntary

Civil commitment and managed care (letter, reply), Apr 432  
The effectiveness of outpatient civil commitment, Nov 1251-1253  
Make 'em do it (taking issue), Nov 1157

Community mental health centers, services  
Adding a vocational focus to mental health rehabilitation, Nov 1216-1222  
Advocacy group contends proposed changes in Medicaid would imperil community services, Apr 440-441  
A brief method of assessing adult inpatients' level of need for community support systems, June 654-656  
Community treatment of patients with psychosis (innovative ideas), Nov 1288  
The experiment that cannot be done (taking issue), Apr 333  
A model for psychiatric services in primary care settings, May 522-526  
Modular group therapy in a community mental health center, Dec 1390-1391  
A module for training residents in public

mental health systems and community resources, Feb 192-194  
Monitoring mental health service contracts: six states' experiences, Aug 837-841  
Outcome of patients after reform in Italy (letter), Nov 1266-1267  
Rural and urban differences in continuity of care after state hospital discharge, June 652-654  
Substance abuse, community service use, and symptom severity of urban and rural residents with schizophrenia, Sept 980-984

#### Comorbidity

APA position statement recommends routine screening of all patients for substance abuse, Feb 208  
Characteristics of patients with substance abuse diagnoses on a general psychiatry unit in a VA medical center, Oct 1104-1107  
Characteristics of persons with severe mental illness and substance abuse in rural areas, Jan 88-90  
Comorbidity and the need for physical examinations among patients seen in the psychiatric emergency service (emergency psychiatry), Sept 947-948  
Comorbidity of DSM-III-R axis I and II disorders among female inpatients with eating disorders, Apr 426-429  
Concurrent validity of clinicians' ratings of substance abuse among psychiatric outpatients, Aug 842-847  
Effects of substance abuse on housing stability of homeless mentally ill persons in supported housing, July 731-736  
Illicit-drug injection among psychiatric patients without a primary substance use disorder, Feb 181-185  
Integrated mental health and substance abuse services to at-risk families, Oct 1112-1114  
Medication noncompliance and substance abuse among patients with schizophrenia, Aug 853-858

Mortality and medical comorbidity among psychiatric patients: a review, Dec 1356-1363  
Outcomes of residential treatment of substance abuse in hospital- and community-based programs, Jan 68-74  
Substance abuse, community service use, and symptom severity of urban and rural residents with schizophrenia, Sept 980-984  
Two group therapy models for clients with a dual diagnosis of substance abuse and personality disorder, Nov 1244-1250  
The utility of dual diagnosis services for consumers from nonwhite ethnic groups, Nov 1256-1258  
Utility of the Chemical Use, Abuse, and Dependence Scale in screening patients with severe mental illness, June 647-649

#### Computers, computer networks

Computer-administered symptom rating scales (clinical computing), Apr 367-369

Computer-assisted treatment of phobias (clinical computing), Feb 139-140,142  
A computerized system to measure treatment outcomes and cost (clinical computing), Aug 811-812  
The Internet: applications for mental health clinicians in clinical settings, training, and research (clinical computing), June 597-599  
A short computer interview for obtaining psychiatric diagnoses, Mar 293-297

#### Confidentiality

Jaffee v Redmond: psychotherapist-patient privilege in the federal courts (law & psychiatry), Oct 1033-1034,1052  
Suits against clinicians for warning of patients' violence (law & psychiatry), July 683-684  
Supreme Court ruling supports confidentiality, Oct 1142

#### Consultation-liaison psychiatry

The value of consultation-liaison interventions to the general hospital, Apr 418-420

#### Consumer advocacy. See Patient advocacy

#### Consumer and family organizations

Conference on undertreatment of depression urges more effective advocacy by patients and families, Mar 318-319  
Family members' ratings of the use and value of mental health services: results of a national NAMI survey, Aug 825-831  
Recovery, Inc, as an adjunct to treatment in an era of managed care, Dec 1378-1381  
Reduced substance-abuse-related health care costs among voluntary participants in Alcoholics Anonymous, July 709-713

#### Consumer participation

Consumers as employees in mental health: bridges and roadblocks (rehab rounds), Sept 939-940,943  
Patients as speakers (innovative ideas), Nov 1288  
Training psychiatrists (letter, replies), Jan 93-94

#### Consumer satisfaction

Comparison of clinicians' housing recommendations and preferences of homeless mentally ill persons, Apr 413-415  
Consumerism and psychiatric services: not all bad (taking issue), Dec 1293  
Family members' ratings of the use and value of mental health services: results of a national NAMI survey, Aug 825-831  
Housing accommodation preferences of people with psychiatric disabilities, June 628-632  
Housing preferences and perceptions of health and functioning among homeless mentally ill persons, Apr 381-386  
Long-term psychiatric patients' knowledge about their medication, Dec 1385-1387  
Mobile crisis services (letter, reply), Mar 309-310

Patients' requests and satisfaction with services in an outpatient psychiatric setting, Mar 287-292. Also see Patient service requests (letter, reply), Oct 1128-1129

A survey of preferred terms for users of mental health services, July 760-761

#### Contract services

The effect of contracting on the cost of public mental health services in California (state health care reform), Jan 32-34  
Monitoring mental health service contracts: six states' experiences, Aug 837-841

#### Corrections

For preliminary program for the 1996 Institute on Psychiatric Services, see Notice (incomplete preliminary program published in July issue), Aug 836  
For Psychiatric Services Resource Center, May 545, see Correction (nursing continuing education credits), July 684

#### Crisis intervention

Community treatment of patients with psychosis (innovative ideas), Nov 1288  
Differences in social environment between inpatient and day hospital-crisis respite settings, July 714-720  
Mobile crisis services (letter, reply), Mar 309-310

#### Cross-cultural issues

Case management: two nations still divided (taking issue), Aug 793  
Characteristics of patients with schizophrenia in two cities in the US and India, Mar 300-301  
Major depression and bipolar disorder, Sept 1012

#### Culture

The mutual interactions of culture and emotion (psychology update), Mar 225-226  
Psychiatric evaluation and psychotherapy in the patient's second language, June 614-618. Also see Psychiatric evaluation in a second language (letter, reply), Sept 1001-1002

#### Datapoints (column)

Certified psychiatric clinical nurse specialists, Mar 235  
Characteristics of psychiatric patients, June 577  
Electroconvulsive therapy, Jan 23  
Employment settings of psychologists, Aug 809  
Organized systems of care and psychiatrists' fees, May 461  
Practice of psychology in a psychiatric hospital, Sept 945  
Psychiatric services in VA substance abuse treatment programs, Nov 1203  
Psychiatrists' hours by work setting, Feb 133  
Psychiatrists' interests by year of medical school graduation, Apr 355

Treatments provided to psychiatric patients, July 693

**Day treatment.** See Partial hospitalization

#### Deinstitutionalization

A brief method of assessing adult inpatients' level of need for community support systems, June 654-656  
Case mix in the "downsizing" state hospital, Mar 255-262  
Community integration of former state hospital patients: outcomes of a policy shift in Vermont, Oct 1088-1092  
Long-term follow-up of rehabilitated patients with chronic psychiatric illness in Ireland, Oct 1120-1122  
Old and new: a comparison of state psychiatric hospitals, Aug 866-868  
Reliving history (letter), Feb 199-200  
Social and living skills of new long-stay hospital patients and new long-term community patients, June 619-622  
Washington psychiatrists protest calls to close historic DC hospital, citing lack of other settings, Apr 442

#### Delirium

Incidence of and risk factors for delirium among psychiatric inpatients, July 727-730

**Delivery of health care.** See Service delivery systems

**Depression.** See Affective disorders

#### Diagnosis. Also see Comorbidity

APA position statement recommends routine screening of all patients for substance abuse, Feb 208  
Characteristics of psychiatric patients (data-points), June 577  
Patients' requests and satisfaction with services in an outpatient psychiatric setting, Mar 287-292. Also see Patient service requests (letter, reply), Oct 1128-1129  
Psychiatric evaluation and psychotherapy in the patient's second language, June 614-618. Also see Psychiatric evaluation in a second language (letter, reply), Sept 1001-1002

Quality and use of trauma histories obtained from psychiatric outpatients through mandated inquiry, Feb 165-169. Also see Corroborating sexual abuse (letter, replies), July 764-765; and Corroborating sexual abuse, revisited (letter), Dec 1393

Sexual abuse assessment on admission by nursing staff in general hospital psychiatric settings, Feb 159-164. Also see Corroborating sexual abuse (letter, replies), July 764-765; and Corroborating sexual abuse, revisited (letter), Dec 1393

A short computer interview for obtaining psychiatric diagnoses, Mar 293-297  
Utility of the Chemical Use, Abuse, and

Dependence Scale in screening patients with severe mental illness, June 647-649

VA services for women (letter, reply), Apr 431-432

**Diagnosis, dual.** See Comorbidity

#### Disasters

Symptoms of stress disorder and depression among trauma counselors after an airline disaster, Apr 424-426

#### Domestic violence

Physical aggression against psychiatric inpatients by family members and partners, May 531-533

Training and experience of psychiatric residents in identifying domestic violence, May 529-530

#### Dyskinesia, drug-induced

Tardive dyskinesia associated with fluoxetine, Sept 991-993

#### Eating disorders

Comorbidity of DSM-III-R axis I and II disorders among female inpatients with eating disorders, Apr 426-429

#### Economics. Also see Insurance, health

Advocacy group contends proposed changes in Medicaid would imperil community services, Apr 440-441

Big federal funding increases for SAMHSA help reverse 1996 cuts; research gains again, Dec 1404-1405

Characteristics of patients with substance abuse diagnoses on a general psychiatry unit in a VA medical center, Oct 1104-1107

Ten-year use of hospital-based services by geriatric veterans with schizophrenia and bipolar disorder, Sept 961-965

Variation among VA hospitals in length of stay for treatment of depression, June 608-613

#### Housing

Comparison of clinicians' housing recommendations and preferences of homeless mentally ill persons, Apr 413-415

Effects of substance abuse on housing stability of homeless mentally ill persons in supported housing, July 731-736

Housing accommodation preferences of people with psychiatric disabilities, June 628-632

Housing preferences and perceptions of health and functioning among homeless mentally ill persons, Apr 381-386

Neighborhood locations of Section 8 housing certificate users with and without mental illness, Apr 392-397

SAFER houses for patients who need asylum (taking issue), Feb 117. Also see Psychiatric hospices (letter, reply), Aug 879

Use of mental health services by formerly homeless adults residing in group and independent housing, Feb 152-158

#### Information for contributors

Mar 241-242, May 483-484, Aug 821-822, Nov 1193-1194

How're we doing? (taking issue), Jan 7

#### Informed consent

Clinicians' judgment of capacity of nursing home patients to give informed consent, Sept 956-960

Documenting informed consent for treatment with neuroleptics: an alternative to the consent form, Mar 302-303

#### Innovative ideas (column)

A brief-stay unit at a state hospital, Nov 1288

Community treatment of patients with psychosis, Nov 1288

Karaoke therapy, Nov 1288

Patients as speakers, Nov 1288

#### Institute on Psychiatric Services

Issues in managed care: highlights of the 1995 Institute on Psychiatric Services (special report), Jan 15-20

Preliminary program for the 1996 Institute

on Psychiatric Services, July insert. Also see Notice (incomplete preliminary program published in July issue), Aug 836

#### Insurance, disability

New law will end SSI, SSDI benefits for disability based on alcohol or drug abuse, July 779

Treatment outcomes for methadone clients receiving lump-sum payments at initiation of disability benefits (alcohol & drug abuse), Feb 119-120, 142. Also see Disability payments and drug abuse (letter), Nov 1266

#### Insurance, health

Congress passes health insurance reform bill without parity provision, Sept 1012

Discrimination by any other name (taking issue), June 557. Also see Biomedicine: key to parity coverage? (letter, reply), Sept 1002-1003

Equal coverage for mental illness shows gains in 1995, Feb 207

Issues in managed care: highlights of the 1995 Institute on Psychiatric Services (special report), Jan 15-20

New law will end SSI, SSDI benefits for disability based on alcohol or drug abuse, July 779

New limited parity law requires equal annual and lifetime limits on coverage of mental, physical illness, Nov 1280

Survey finds two-thirds of insured Americans are enrolled in managed behavioral health programs, Sept 1012-1013

Unanimous vote for parity coverage of mental illness in US Senate is followed by heated debate over costs, July 779-780

Who is responsible when a patient's insurance runs out? (law & psychiatry), Apr 361-362

#### Internship and residency; fellowships

Administrative mentors for psychiatrists (letter, reply), May 536-537

Columbia University's fellowship in public psychiatry, May 512-516

A module for training residents in public mental health systems and community resources, Feb 192-194

Psychiatrist-administrators (letter, reply), Jan 93

Psychiatrists' interests by year of medical school graduation (datapoints), Apr 355

Training and experience of psychiatric residents in identifying domestic violence, May 529-530

Training psychiatrists (letter, replies), Jan 93-94

#### Length of stay

Length of inpatient stay and recidivism among patients with schizophrenia, Sept 985-990

Shortening length of stay without increasing recidivism on a university-affiliated inpatient unit, Sept 996-998

Variation among VA hospitals in length of stay for treatment of depression, June 608-613

#### Letters

Administrative mentors for psychiatrists, May 536-537

Assessing a drug's cost-benefits, Aug 877-878

Autocorrelations and admission diversion, Jan 91-92

Biomedicine: key to parity coverage? Sept 1002-1003

Civil commitment and managed care, Apr 432

Clozapine and excessive psychotropic drug use, Aug 876

Corroborating sexual abuse, July 764-765

Corroborating sexual abuse, revisited, Dec 1393

Cost-benefits of risperidone, Mar 309. Also see Assessing a drug's cost-benefits (letter, reply), Aug 877-878

Disability payments and drug abuse, Nov 1266

Effective day treatment, Aug 876-877

Ernest Jones in Toronto, Aug 878-879

Evaluating effectiveness of continuity of care, July 765-766

Literature review on psychotherapy, Dec 1393

Managed care and mental health law, July 765

Medicaid block grants, Nov 1265-1266

Memories of Metropolitan, Sept 1001

Mobile crisis services, Mar 309-310

Models for psychiatry (letter), Dec 1392-1393

Neuroleptic dosage in psychiatric outpatients, May 536

Novel antipsychotics and neuroleptic malignant syndrome, Apr 431

Outcome of patients after reform in Italy, Nov 1266-1267

Patient service requests, Oct 1128-1129

Predicting dangerousness, Apr 430-431

Predictors of early psychiatric readmission, Feb 199

Psychiatric evaluation in a second language, Sept 1001-1002

Psychiatric hospices, Aug 879

Psychiatrist-administrators, Jan 93

Reliving history, Feb 199-200

Restarting clozapine: a case report, Jan 92

Suicide and Hinduism, Oct 1128

Training psychiatrists, Jan 93-94

Use of clozapine with nonresponsive patients, Dec 1392

VA services for women, Apr 431-432

#### Malingering

Feigned psychiatric symptoms in the emergency room, Sept 998-1000

#### Managed care programs

Advantages of working in a capitated mental health system (nursing update), May 477-478

APA outlines principles of psychiatric practice and obligations to patients under managed care, Jan 101

Bazelon survey finds most states plan move to managed care for public mental health systems, Aug 890-891

Case management and managed care: in-

vesting in recovery (managed care), July 699-701  
Characteristics of managed care patients in a psychiatric emergency service, Nov 1259-1261  
Civil commitment and managed care (letter, reply), Apr 432  
Client outcomes in a three-year controlled study of an integrated service agency model, Dec 1337-1343  
Client outcomes in two model capitated integrated service agencies, Feb 175-180  
CMHS stresses comprehensive care, consumer rights in new principles for managed care systems, Aug 891  
Confessions of a concurrent reviewer, Jan 35-40  
Consumerism and psychiatric services: not all bad (taking issue), Dec 1293  
Cost-shifting and managed care (economic grand rounds), Oct 1063-1064  
Designing a comprehensive care program for high-cost clients in a managed care environment (best practices), Aug 813-815  
Does managed care permit appropriate use of psychotherapy? Sept 971-974. Also see Literature review on psychotherapy (letter), Dec 1393  
Evaluation of managed mental health care for Medicaid enrollees in Iowa (best practices), Nov 1185-1187  
Getting managed care organizations to cover extended psychotherapy for patients with personality disorders (managed care), Apr 365-366  
How much care? Or is that the real question? (taking issue), Sept 903  
Impact of external versus internal case managers on hospital utilization (economic grand rounds), June 593-595  
The impact of managed care and utilization review: a cross-sectional study in Maryland (economic grand rounds), Dec 1319-1322  
Impact of Medicaid managed care on child and adolescent emergency mental health screening in Massachusetts, Dec 1344-1350  
Implications of recent court rulings for crisis and psychiatric emergency services (emergency psychiatry), Dec 1332-1333  
Incompatibility of capitation and government grant-in-aid programs (economic grand rounds), Aug 795-796,801  
Is psychotherapy ever medically necessary? Sept 966-970  
Issues in managed care: highlights of the 1995 Institute on Psychiatric Services (special report), Jan 15-20  
Leased psychiatric beds (economic grand rounds), Apr 351-352  
Life, liberty, happiness, and managed care (taking issue), Mar 223  
Managed care: II. some "latent functions" (the chronic patient), Mar 243-244,253  
Managed care: III. whose business is patient care? (the chronic patient), June 567-568,576  
Managed care: IV. some helpful resources (the chronic patient), Sept 925-926,928  
Managed care and the next generation of

mental health law (law & psychiatry), Jan 27-28,34. Also see Managed care and mental health law (letter, reply), July 765

Most behavioral health care managers are well trained, survey indicates, Sept 1013  
Must managed care dominate the scene? (taking issue), May 455

New developments in employee assistance programs, Apr 387-391

Organized systems of care and psychiatrists' fees (datapoints), May 461

A planning checklist for establishing time-limited psychotherapy groups (managed care), Jan 25-26

Principles of patients' rights, responsibilities under managed care endorsed by health groups, Jan 102

Reliving history (letter), Feb 199-200

States offered guidelines for protecting patients when shifting public services to managed care, Feb 207

Structuring psychiatric emergency services for smaller communities in response to managed care (emergency psychiatry), Mar 233-234

Survey finds two-thirds of insured Americans are enrolled in managed behavioral health programs, Sept 1012-1013

What should we advocate for in for-profit mental health care, and how should we do it? (managed care), Oct 1061-1062, 1064

Who is responsible when a patient's insurance runs out? (law & psychiatry), Apr 361-362

#### Marketing of health services

Promising market niches identified for individual or small-group practices, Mar 318

#### Medicaid

Advocacy group contends proposed changes in Medicaid would imperil community services, Apr 440-441

Bazelon survey finds most states plan move to managed care for public mental health systems, Aug 890-891

Evaluation of managed mental health care for Medicaid enrollees in Iowa (best practices), Nov 1185-1187

Impact of Medicaid managed care on child and adolescent emergency mental health screening in Massachusetts, Dec 1344-1350

Medicaid block grants could be a step forward (taking issue), July 679. Also see Medicaid block grants (letter, reply), Nov 1265-1266

Mental health reform in Georgia, 1992 to 1996, Nov 1205-1211

#### Medical history taking

Prevalence and characteristics of physical and sexual abuse among psychiatric outpatients, Feb 189-191

Quality and use of trauma histories obtained from psychiatric outpatients through mandated inquiry, Feb 165-169. Also see Corroborating sexual

abuse (letter, replies), July 764-765; and Corroborating sexual abuse, revisited (letter), Dec 1393

Sexual abuse assessment on admission by nursing staff in general hospital psychiatric settings, Feb 159-164. Also see Corroborating sexual abuse (letter, replies), July 764-765; and Corroborating sexual abuse, revisited (letter), Dec 1393

#### Memory

Advances in pharmacotherapy for decline of memory and cognition in patients with Alzheimer's disease (practical geriatrics), Mar 249-253

#### Mentally ill offenders

Court intervention to address the mental health needs of mentally ill offenders, Mar 275-281

Factors associated with homicide recidivism in a 13-year sample of homicide offenders in Finland, Apr 403-406

A national survey of hospital- and community-based approaches to pretrial mental health evaluations, June 642-644

Total quality management and the reduction of inpatient violence and costs in a forensic psychiatric hospital, July 751-754

#### Mobile health units

Community treatment of patients with psychosis (innovative ideas), Nov 1288

Mobile crisis services (letter, reply), Mar 309-310

#### Mortality

Deaths among former psychiatric inpatients in an outreach case management program, Apr 398-402

Effects of the clozapine national registry system on incidence of deaths related to agranulocytosis, Jan 52-56

Mortality and medical comorbidity among psychiatric patients: a review, Dec 1356-1363

Mortality rates for mental health clients drop in Massachusetts, but early deaths cause concern, Mar 319

#### Neuroleptic malignant syndrome

Novel antipsychotics and neuroleptic malignant syndrome (letter), Apr 431

#### News briefs

Anxiety disorders educational program, Dec 1405-1406

APA position on telemedicine, Mar 320

APA resource document on emergency health care systems, Feb 209

Applications for research awards invited, July 892

Best psychiatric hospitals, Sept 1014

Call for papers (Behavioral Sciences and the Law), Jan 103

Certification in administrative psychiatry, July 781

Chestnut Lodge Hospital sold, Oct 1142

Compensation for psychiatrists, Oct 1142  
Consensus conference, Jan 103  
Consortium on obsessive-compulsive disorder, Mar 320  
Depression in late life, Sept 1014  
Geriatric Psychiatry Alliance, Mar 320  
Grants for research on bipolar disorder, Sept 1014  
Guttmacher award, Apr 442  
Headache and depression, Nov 1282  
Health information systems, Jan 103  
Information on clinical trials, Sept 1014  
International psychiatry residence in-training exam, July 781  
Knowledge Exchange Network, Sept 1014  
Mental health effects of petrochemicals, Feb 109  
Minority research training in psychiatry, Nov 1282  
NAMI report on schizophrenia, Mar 320  
National mental health month, Apr 442  
New Bazelon Center Web site, Dec 1406  
New drug approved, Apr 442  
Nominations for state-university collaboration award, Feb 209  
Oral risperidone approved, Sept 1014  
Paroxetine cleared for treatment of panic disorder, July 892  
Primary care workshops on depression, Jan 103  
Principles of informed consent, Nov 1282  
Psychoanalytic center, Jan 103  
Substance abuse policy guidelines, Jan 103  
Violence against women, Oct 1142

#### Nursing homes

Clinicians' judgment of capacity of nursing home patients to give informed consent, Sept 956-960  
A ten-year review of the effect of OBRA-87 on psychotropic prescribing practices in an academic nursing home, Sept 951-955

#### Occupational therapy

Maximizing abilities: occupational therapy's role in geriatric psychiatry (occupational therapy update), Sept 933-935

#### Organization and administration

Administrative mentors for psychiatrists (letter, reply), May 536-537  
Columbia University's fellowship in public psychiatry, May 512-516  
Psychiatrist-administrators (letter, reply), Jan 93

#### Outcome assessment, treatment outcome

Client outcomes in a three-year controlled study of an integrated service agency model, Dec 1337-1343  
Client outcomes in two model capitated integrated service agencies, Feb 175-180  
A computerized system to measure treatment outcomes and cost (clinical computing), Aug 811-812  
Day treatment versus supported employment for persons with severe mental illness: a replication study, Oct 1125-1127  
Effectiveness of clozapine and a social learning program for severely disabled psychiatric inpatients, Jan 46-51

Effect of centralized intake on outcomes of substance abuse treatment, Nov 1233-1238  
Evaluating effectiveness of continuity of care (letter), July 765-766  
Factors associated with the outcome of adults treated in psychiatric hospitals: a synthesis of findings, Mar 263-269  
Issues in managed care: highlights of the 1995 Institute on Psychiatric Services (special report), Jan 15-20  
Long-term impact of clozapine and psychosocial treatment on psychiatric symptoms and cognitive functioning, Jan 41-45  
Low- and standard-dose depot haloperidol combined with targeted oral neuroleptics, Jan 83-85  
A naturalistic outcome study of risperidone treatment among state hospital patients, Oct 1118-1120  
New measures released for assessing outcomes of patients in psychosocial rehabilitation programs, Feb 208-209  
An outcome measure for postdischarge follow-up of residential treatment (best practices), May 481-482  
Outcomes of residential treatment of substance abuse in hospital- and community-based programs, Jan 68-74  
Preliminary evaluation of cognitive adaptation training to compensate for cognitive deficits in schizophrenia, Apr 415-417  
A preliminary study of partial hospital management of severe obsessive-compulsive disorder, Feb 170-174  
Treatment outcomes for methadone clients receiving lump-sum payments at initiation of disability benefits (alcohol & drug abuse), Feb 119-120,142. Also see Disability payments and drug abuse (letter), Nov 1266  
Two group therapy models for clients with a dual diagnosis of substance abuse and personality disorder, Nov 1244-1250

#### Outpatient treatment

Concurrent validity of clinicians' ratings of substance abuse among psychiatric outpatients, Aug 842-847  
Effective day treatment (letter, reply), Aug 876-877  
The effectiveness of outpatient civil commitment, Nov 1251-1253  
Effect of centralized intake on outcomes of substance abuse treatment, Nov 1233-1238  
Impact of a psychiatric outreach service for homeless persons with schizophrenia, June 644-646  
Inpatient treatment remains core service of NAPHS member hospitals despite growth of other services, Dec 1404  
Make 'em do it (taking issue), Nov 1157  
A model for evaluating intensive outpatient behavioral health care programs, Nov 1227-1232  
Neuroleptic dosage in psychiatric outpatients (letter), May 536  
Patients' requests and satisfaction with services in an outpatient psychiatric set-

ting, Mar 287-292. Also see Patient service requests (letter, reply), Oct 1128-1129  
Physical disorders among Southeast Asian refugee outpatients with psychiatric disorders, Sept 975-979  
Prevalence and characteristics of physical and sexual abuse among psychiatric outpatients, Feb 189-191  
Quality and use of trauma histories obtained from psychiatric outpatients through mandated inquiry, Feb 165-169. Also see Corroborating sexual abuse (letter, replies), July 764-765; and Corroborating sexual abuse, revisited (letter), Dec 1393  
Reduced substance-abuse-related health care costs among voluntary participants in Alcoholics Anonymous, July 709-713  
Treatments provided to psychiatric patients (datapoints), July 693

#### Partial hospitalization

Day treatment versus supported employment for persons with severe mental illness: a replication study, Oct 1125-1127  
Differences in social environment between inpatient and day hospital-crisis respite settings, July 714-720  
Effective day treatment (letter, reply), Aug 876-877  
Inpatient treatment remains core service of NAPHS member hospitals despite growth of other services, Dec 1404  
A model for evaluating intensive outpatient behavioral health care programs, Nov 1227-1232  
Partial hospitalization at night: the Brussels Nighthospital, May 527-528  
A preliminary study of partial hospital management of severe obsessive-compulsive disorder, Feb 170-174

#### Patient admission, readmission

Autocorrelations and admission diversion (letter, reply), Jan 91-92  
Case mix in the "downsizing" state hospital, Mar 255-262  
Characteristics and six-month outcome of patients who use suicide threats to seek hospital admission, Aug 871-873  
The evolving role of the state hospital in the care and treatment of older adults: state trends, 1984 to 1993, Oct 1082-1087  
Factors associated with multiple hospitalizations of patients with borderline personality disorder, June 638-641  
Impact of a psychiatric outreach service for homeless persons with schizophrenia, June 644-646  
Inpatient treatment remains core service of NAPHS member hospitals despite growth of other services, Dec 1404  
Length of inpatient stay and recidivism among patients with schizophrenia, Sept 985-990  
Mental health reform in Georgia, 1992 to 1996, Nov 1205-1211  
Predictors of early psychiatric readmission (letter), Feb 199

Predictors of receipt of aftercare and recidivism among persons with severe mental illness: a review, May 487-496  
Quality of care and use of less restrictive alternatives in the psychiatric emergency service, June 623-627

Shortening length of stay without increasing recidivism on a university-affiliated inpatient unit, Sept 996-998

The state of the state mental hospital in 1996, Oct 1071-1078

States offered guidelines for protecting patients when shifting public services to managed care, Feb 207

Trends in state and county mental hospitals in the US from 1970 to 1992, Oct 1079-1081

#### **Patient advocacy**

Advocacy group contends proposed changes in Medicaid would imperil community services, Apr 440-441

APA outlines principles of psychiatric practice and obligations to patients under managed care, Jan 101

Bar examiners can't ask about mental health, Apr 440

CMHS stresses comprehensive care, consumer rights in new principles for managed care systems, Aug 891

Conference on undertreatment of depression urges more effective advocacy by patients and families, Mar 318-319

Principles of patients' rights, responsibilities under managed care endorsed by health groups, Jan 102

States offered guidelines for protecting patients when shifting public services to managed care, Feb 207

A survey on use of advance directives for mental health treatment in Oregon, Dec 1387-1389

What should we advocate for in for-profit mental health care, and how should we do it? (managed care), Oct 1061-1062, 1064

#### **Patient compliance**

Medication noncompliance and substance abuse among patients with schizophrenia, Aug 853-858

#### **Patient discharge**

A brief method of assessing adult inpatients' level of need for community support systems, June 654-656

Rural and urban differences in continuity of care after state hospital discharge, June 652-654

Training hospitalized patients with schizophrenia in community reintegration skills, Oct 1099-1103

#### **Patient education**

Congruence between education and reading levels of older persons, Feb 194-196

Effectiveness of clozapine and a social learning program for severely disabled psychiatric inpatients, Jan 46-51

Long-term psychiatric patients' knowledge about their medication, Dec 1385-1387

Preliminary evaluation of cognitive adaptation training to compensate for cognitive deficits in schizophrenia, Apr 415-417

#### **Patient labels**

Psychiatric labels: still hard to shake (personal accounts), Dec 1329-1330

A survey of preferred terms for users of mental health services, July 760-761

**Patient readmission.** See Patient admission, readmission

#### **People & Places**

Mar 320, May 548, Aug 892, Dec 1406

**Personal accounts.** Also see Reviews, books, first-person accounts

Can institution-induced anger prolong hospitalization for patients who repress anger? Apr 363-364. Also see Memories of Metropolitan (letter, reply), Sept 1001

Down and out on the street, Aug 806  
"Echoes from a dungeon cell": a doctor's view of his incarceration (personal accounts), June 581-582

The mind and the butt, Feb 141-142

Psychiatric labels: still hard to shake, Dec 1329-1330

A saving grace, Oct 1051-1052

#### **Personality disorders**

Comorbidity of DSM-III-R axis I and II disorders among female inpatients with eating disorders, Apr 426-429

Effective day treatment (letter, reply), Aug 876-877

Factors associated with multiple hospitalizations of patients with borderline personality disorder, June 638-641

Getting managed care organizations to cover extended psychotherapy for patients with personality disorders (managed care), Apr 365-366

Increasing staff knowledge of and improving attitudes toward patients with borderline personality disorder, May 533-535

Treatment of personality disorders in an era of limited resources (economic grand rounds), Feb 128-130

Two group therapy models for clients with a dual diagnosis of substance abuse and personality disorder, Nov 1244-1250

**Personnel.** See Staff issues

**Physical disorders.** See Primary health care

#### **Physical examination**

Comorbidity and the need for physical examinations among patients seen in the psychiatric emergency service (emergency psychiatry), Sept 947-948

Usefulness of physical examinations in the psychiatric emergency service (emergency psychiatry), June 575-576

#### **Physician impairment**

New developments in employee assistance programs, Apr 387-391

Physician health programs and the potentially impaired physician with a substance use disorder (alcohol & drug abuse), May 465-467

#### **Practice guidelines**

Guideline on treatment of nicotine dependence is latest in APA series of practice guidelines, Oct 1140-1141

#### **Pregnancy**

Comprehensive prenatal and postpartum psychiatric care for women with severe mental illness, Oct 1108-1111

Sexuality, pregnancy, and childrearing among women with schizophrenia-spectrum disorders, May 502-506

#### **Prevention**

FACES Maimonides Theatre Network for Teens, Oct 1115

New FDA rule aims to reduce tobacco use by youths under age 18, Oct 1140

#### **Primary health care**

CMHS launches national campaign to increase awareness of children's mental health problems, Apr 441

Comorbidity and the need for physical examinations among patients seen in the psychiatric emergency service (emergency psychiatry), Sept 947-948

Institute of Medicine supports bigger role for primary care in providing mental health services, May 547

A model for psychiatric services in primary care settings, May 522-526

Mortality and medical comorbidity among psychiatric patients: a review, Dec 1356-1363

Physical disorders among Southeast Asian refugee outpatients with psychiatric disorders, Sept 975-979

Predictors of missed appointments for psychiatric consultations in a primary care clinic, Aug 848-852

Usefulness of physical examinations in the psychiatric emergency service (emergency psychiatry), June 575-576

#### **Professional-family relations, professional-patient relations**

APA outlines principles of psychiatric practice and obligations to patients under managed care, Jan 101

Engaging significant others: the Tom Sawyer approach to case management (social work update), Aug 799-801

Principles of patients' rights, responsibilities under managed care endorsed by health groups, Jan 102

Training psychiatrists (letter, replies), Jan 93-94

#### **Psychiatric nursing**

Advantages of working in a capitated mental health system (nursing update), May 477-478

Certified psychiatric clinical nurse specialists (datapoints), Mar 235

Increasing staff knowledge of and improving attitudes toward patients with borderline personality disorder, May 533-535

Sexual abuse assessment on admission by nursing staff in general hospital psychiatric settings, Feb 159-164. Also see Corroborating sexual abuse (letter, replies), July 764-765; and Corroborating sexual abuse, revisited (letter), Dec 1393

Structuring psychiatric emergency services for smaller communities in response to managed care (emergency psychiatry), Mar 233-234

#### **Psychiatric Services Resource Center**

Jan 105, Mar 321, Apr 443, May 545 (also see Correction, July 684), June 667, July 783, Aug 889, Sept 1011, Oct 1143, Nov 1279, Dec 1435

#### **Psychiatric status rating scales**

Computer-administered symptom rating scales (clinical computing), Apr 367-369

Evidence for limited validity of the revised Global Assessment of Functioning Scale, Aug 864-866

**Psychiatrists.** Also see Internship and residency; and Staff issues

Administrative mentors for psychiatrists (letter, reply), May 536-537

Columbia University's fellowship in public psychiatry, May 512-516

Confessions of a concurrent reviewer, Jan 35-40

Managed care: III. whose business is patient care? (the chronic patient), June 567-568, 576

NAPHS salary survey finds physician-executives well paid, but nonphysicians fill most top slots, Jan 102-103

Organized systems of care and psychiatrists' fees (datapoints), May 461

Pimping the African-American community (taking issue), Oct 1025

Psychiatrists' interests by year of medical school graduation (datapoints), Apr 355

Psychiatry: three models in search of a future (open forum), Aug 874-875. Also see Models for psychiatry (letter), Dec 1392-1392

Training psychiatrists (letter, replies), Jan 93-94

#### **Psychology**

Employment settings of psychologists (datapoints), Aug 809

Integrating research in stereotypic behavior (psychology update), Nov 1191-1192

The mutual interactions of culture and emotion (psychology update), Mar 225-226

Practice of psychology in a psychiatric hospital (datapoints), Sept 945

**Psychopharmacology.** See Psychotropic drugs, drug therapy, side effects

#### **Psychotherapy**

Book reviews: special section on psychotherapy books, Oct 1130-1138

Does managed care permit appropriate use of psychotherapy? Sept 971-974. Also see Literature review on psychotherapy (letter), Dec 1393

Getting managed care organizations to cover extended psychotherapy for patients with personality disorders (managed care), Apr 365-366

Grief therapy for relatives of persons with serious mental illness, June 633-637

Is psychotherapy ever medically necessary? Sept 966-970

Issues in managed care: highlights of the 1995 Institute on Psychiatric Services (special report), Jan 15-20

Jaffee v Redmond: psychotherapist-patient privilege in the federal courts (law & psychiatry), Oct 1033-1034, 1052

Promising market niches identified for individual or small-group practices, Mar 318

Psychiatric evaluation and psychotherapy in the patient's second language, June 614-618. Also see Psychiatric evaluation in a second language (letter, reply), Sept 1001-1002

Supreme Court ruling supports confidentiality, Oct 1142

#### **Psychotherapy, group**

Modular group therapy in a community mental health center, Dec 1390-1391

A planning checklist for establishing time-limited psychotherapy groups (managed care), Jan 25-26

Two group therapy models for clients with a dual diagnosis of substance abuse and personality disorder, Nov 1244-1250

#### **Psychotropic drugs, drug therapy, side effects**

Advances in pharmacotherapy for decline of memory and cognition in patients with Alzheimer's disease (practical geriatrics), Mar 249-253

A centralized system for monitoring clozapine use in British Columbia, Jan 81-83

Closing the gap between alcoholism research and practice: the case for pharmacotherapy (alcohol & drug abuse), Sept 917-920

Clozapine and agranulocytosis (psychopharmacology), Nov 1177-1178

Clozapine and excessive psychotropic drug use (letter), Aug 876. Also see Use of clozapine with nonresponsive patients (letter), Dec 1392

Cost-benefits of risperidone (letter), Mar 309. Also see Assessing a drug's cost-benefits (letter, reply), Aug 877-878

Documenting informed consent for treatment with neuroleptics: an alternative to the consent form, Mar 302-303

Effectiveness of clozapine and a social learning program for severely disabled

psychiatric inpatients, Jan 46-51

Effects of switching inpatients with treatment-resistant schizophrenia from clozapine to risperidone, Dec 1382-1384

Effects of the clozapine national registry system on incidence of deaths related to agranulocytosis, Jan 52-56

The experiment that cannot be done (taking issue), Apr 333

Guidelines for the use of placebo controls in clinical trials of psychopharmacologic agents, Nov 1262-1264

Long-term impact of clozapine and psychosocial treatment on psychiatric symptoms and cognitive functioning, Jan 41-45

Long-term psychiatric patients' knowledge about their medication, Dec 1385-1387

Low- and standard-dose depot haloperidol combined with targeted oral neuroleptics, Jan 83-85

Medication noncompliance and substance abuse among patients with schizophrenia, Aug 853-858

A naturalistic outcome study of risperidone treatment among state hospital patients, Oct 1118-1120

Neuroleptic dosage in psychiatric outpatients (letter), May 536

Novel antipsychotics and neuroleptic malignant syndrome (letter), Apr 431

Race, quality of care, and antipsychotic prescribing practices in psychiatric emergency services, Mar 282-286

Restarting clozapine: a case report (letter), Jan 92

Tardive dyskinesia associated with fluoxetine, Sept 991-993

A ten-year review of the effect of OBRA-87 on psychotropic prescribing practices in an academic nursing home, Sept 951-955

Treatments provided to psychiatric patients (datapoints), July 693

#### **Public opinion. See Attitude, public**

**Public policy.** See Health policy, health care reform

#### **Quality assurance, quality of care**

Quality of care and use of less restrictive alternatives in the psychiatric emergency service, June 623-627

Race, quality of care, and antipsychotic prescribing practices in psychiatric emergency services, Mar 282-286

Total quality management and the reduction of inpatient violence and costs in a forensic psychiatric hospital, July 751-754

#### **Quality of life**

Client outcomes in a three-year controlled study of an integrated service agency model, Dec 1337-1343

Moving from psychoeducation to family education for families of adults with serious mental illness, Dec 1364-1370

Neighborhood locations of Section 8 hous-

- ing certificate users with and without mental illness, Apr 392-397
- Patients' quality of life:** a continuing concern in the literature (the chronic patient), Dec 1305-1306,1330

Differences in social environment between inpatient and day hospital-crisis respite settings, July 714-720

Effectiveness of clozapine and a social learning program for severely disabled psychiatric inpatients, Jan 46-51

Long-term support and social skills training for patients with schizophrenia (rehab rounds), Nov 1195-1196,1199

Maximizing abilities: occupational therapy's role in geriatric psychiatry (occupational therapy update), Sept 933-935

Social and living skills of new long-stay hospital patients and new long-term community patients, June 619-622

Training hospitalized patients with schizophrenia in community reintegration skills, Oct 1099-1103

#### Social environment

Community integration of former state hospital patients: outcomes of a policy shift in Vermont, Oct 1088-1092

Community treatment of patients with psychosis (innovative ideas), Nov 1288

Consumers as employees in mental health: bridges and roadblocks (rehab rounds), Sept 939-940,943

Differences in social environment between inpatient and day hospital-crisis respite settings, July 714-720

The importance of ward atmosphere in inpatient treatment of schizophrenia on short-term units, July 721-726

Neighborhood locations of Section 8 housing certificate users with and without mental illness, Apr 392-397

Patients' quality of life: a continuing concern in the literature (the chronic patient), Dec 1305-1306,1330

Quality of life of long-stay patients discharged from two psychiatric institutions, Jan 62-67

#### Social Security. Also see Medicaid

New law will end SSI, SSDI benefits for disability based on alcohol or drug abuse, July 779

Treatment outcomes for methadone clients receiving lump-sum payments at initiation of disability benefits (alcohol & drug abuse), Feb 119-120,142. Also see Disability payments and drug abuse (letter), Nov 1266

#### Social work, psychiatric

Engaging significant others: the Tom Sawyer approach to case management (social work update), Aug 799-801

#### Staff issues

Certified psychiatric clinical nurse specialists (datapoints), Mar 235

Characteristics and costs of staff injuries in a forensic hospital, Oct 1123-1125

Clinicians' judgment of capacity of nursing home patients to give informed consent, Sept 956-960

CMHS report traces dramatic growth in staffing in mental health organizations over two decades, Sept 1013

Comparison of clinicians' housing recommendations and preferences of homeless mentally ill persons, Apr 413-415

Employment settings of psychologists (datapoints), Aug 809

Family burden of schizophrenia and bipolar disorder: perceptions of relatives and professionals, May 507-511

Increasing staff knowledge of and improving attitudes toward patients with borderline personality disorder, May 533-535

The Internet: applications for mental health clinicians in clinical settings, training, and research (clinical computing), June 597-599

Mental health clinicians' attitudes about reporting threats against the President, Aug 832-836

- Most behavioral health care managers are well trained, survey indicates, Sept 1013
- NAPHS salary survey finds physician-executives well paid, but nonphysicians fill most top slots, Jan 102-103
- Organized systems of care and psychiatrists' fees (datapoints), May 461
- OSHA guidelines aim at reducing violence in health care settings, Aug 891-892
- Physician health programs and the potentially impaired physician with a substance use disorder (alcohol & drug abuse), May 465-467
- Psychiatrists' hours by work setting (datapoints), Feb 133
- Psychiatrists' interests by year of medical school graduation (datapoints), Apr 355
- Psychiatry: three models in search of a future (open forum), Aug 874-875. Also see Models for psychiatry (letter), Dec 1392-1392
- Suits against clinicians for warning of patients' violence (law & psychiatry), July 683-684
- Symptoms of stress disorder and depression among trauma counselors after an airline disaster, Apr 424-426
- Training and experience of psychiatric residents in identifying domestic violence, May 529-530
- Trends in state and county mental hospitals in the US from 1970 to 1992, Oct 1079-1081
- State-university collaboration**  
Interdisciplinary collaboration awards, Oct 1116-1117
- Stereotyped behavior**  
Integrating research in stereotypic behavior (psychology update), Nov 1191-1192
- Stigma.** See Attitude, public
- Stress disorders, posttraumatic**  
Symptoms of stress disorder and depression among trauma counselors after an airline disaster, Apr 424-426
- VA services for women (letter, reply), Apr 431-432
- Substance abuse, treatment.** Also see Comorbidity; and Alcohol abuse, treatment  
APA position statement recommends routine screening of all patients for substance abuse, Feb 208
- Characteristics of patients with substance abuse diagnoses on a general psychiatry unit in a VA medical center, Oct 1104-1107
- Characteristics of persons with severe mental illness and substance abuse in rural areas, Jan 88-90
- Concurrent validity of clinicians' ratings of substance abuse among psychiatric outpatients, Aug 842-847
- Effect of centralized intake on outcomes of substance abuse treatment, Nov 1233-1238
- Effects of substance abuse on housing sta-
- bility of homeless mentally ill persons in supported housing, July 731-736
- Federally funded drug and alcohol programs found effective in reducing drug use, crime, homelessness, Nov 1280-1281
- Guideline on treatment of nicotine dependence is latest in APA series of practice guidelines, Oct 1140-1141
- HIV infection and risky sexual behaviors among women in treatment for noninjection drug dependence (alcohol & drug abuse), Nov 1197-1199
- Homelessness, negative affect, and coping among veterans with gambling problems who misused substances, Mar 298-299
- Illicit-drug injection among psychiatric patients without a primary substance use disorder, Feb 181-185
- Integrated mental health and substance abuse services to at-risk families, Oct 1112-1114
- Medication noncompliance and substance abuse among patients with schizophrenia, Aug 853-858
- National survey shows significant increase from 1994 to 1995 in drug use by youths ages 12 to 17, Oct 1141-1142
- New FDA rule aims to reduce tobacco use by youths under age 18, Oct 1140
- New law will end SSI, SSDI benefits for disability based on alcohol or drug abuse, July 779
- Outcomes of residential treatment of substance abuse in hospital- and community-based programs, Jan 68-74
- Physician health programs and the potentially impaired physician with a substance use disorder (alcohol & drug abuse), May 465-467
- Psychiatric services in VA substance abuse treatment programs (datapoints), Nov 1203
- Reduced substance-abuse-related health care costs among voluntary participants in Alcoholics Anonymous, July 709-713
- Relation of denial of alcohol problems to neurocognitive impairment and depression, Mar 306-308
- Sources of income among homeless adults with major mental disorders or substance use disorders, Feb 147-151
- Treatment outcomes for methadone clients receiving lump-sum payments at initiation of disability benefits (alcohol & drug abuse), Feb 119-120,142. Also see Disability payments and drug abuse (letter), Nov 1266
- Two group therapy models for clients with a dual diagnosis of substance abuse and personality disorder, Nov 1244-1250
- Utility of the Chemical Use, Abuse, and Dependence Scale in screening patients with severe mental illness, June 647-649
- Suicide, suicide behavior**  
Characteristics and six-month outcome of patients who use suicide threats to seek hospital admission, Aug 871-873
- Firearm suicide among older men, Mar 304-306
- Implications of recent court rulings for crisis and psychiatric emergency services (emergency psychiatry), Dec 1332-1333
- Interventions among adolescents who were violently injured and those who attempted suicide, July 755-757
- Suicidal inpatients' experience of constant observation, June 649-651
- Suicide among immigrants from the Indian subcontinent: a review, May 517-521. Also see Suicide and Hinduism (letter, reply), Oct 1128
- Supervision of suicidal patients in adult inpatient psychiatric units in general hospitals, Aug 859-863
- This month's highlights**  
Nov 1167, Dec 1295
- Treatment outcome.** See Outcome assessment, treatment outcome
- Utilization of services**  
Case mix in the "downsizing" state hospital, Mar 255-262
- Characteristics and service use of seriously mentally ill persons living in rural areas, Jan 57-61
- Designing a comprehensive care program for high-cost clients in a managed care environment (best practices), Aug 813-815
- Evaluating effectiveness of continuity of care (letter), July 765-766
- The evolving role of the state hospital in the care and treatment of older adults: state trends, 1984 to 1993, Oct 1082-1087
- Family members' ratings of the use and value of mental health services: results of a national NAMI survey, Aug 825-831
- Help seeking by immigrant Indochinese psychiatric patients in Sydney, Australia, Sept 993-995
- Impact of external versus internal case managers on hospital utilization (economic grand rounds), June 593-595
- Quality of care and use of less restrictive alternatives in the psychiatric emergency service, June 623-627
- Substance abuse, community service use, and symptom severity of urban and rural residents with schizophrenia, Sept 980-984
- Ten-year use of hospital-based services by geriatric veterans with schizophrenia and bipolar disorder, Sept 961-965
- Trends in state and county mental hospitals in the US from 1970 to 1992, Oct 1079-1081
- Use of mental health services by formerly homeless adults residing in group and independent housing, Feb 152-158
- Use of mental health services by households in the United States, Apr 376-380
- Utilization review.** Also see Managed care programs  
Confessions of a concurrent reviewer, Jan 35-40

The impact of managed care and utilization review: a cross-sectional study in Maryland (economic grand rounds), Dec 1319-1322

#### Veterans. Also see Hospitals, veterans

Characteristics of patients with substance abuse diagnoses on a general psychiatry unit in a VA medical center, Oct 1104-1107

Homelessness, negative affect, and coping among veterans with gambling problems who misused substances, Mar 298-299

Outcomes of residential treatment of substance abuse in hospital- and community-based programs, Jan 68-74

Psychiatric services in VA substance abuse treatment programs (datapoints), Nov 1203

Ten-year use of hospital-based services by geriatric veterans with schizophrenia and bipolar disorder, Sept 961-965

VA services for women (letter, reply), Apr 431-432

Variation among VA hospitals in length of stay for treatment of depression, June 608-613

#### Violence, aggression

Application of the Tarasoff ruling and its effect on the victim and the therapeutic relationship, Nov 1212-1215

Characteristics and costs of staff injuries in a forensic hospital, Oct 1123-1125

Epilepsy, aggression, and criminal responsibility (unusual case report), July 762-763

Interventions among adolescents who were violently injured and those who attempted suicide, July 755-757

Mental health clinicians' attitudes about reporting threats against the President, Aug 832-836

OSHA guidelines aim at reducing violence in health care settings, Aug 891-892

Patterns of violent incidents by patients in a general hospital psychiatric facility, Jan 86-88

Physical aggression against psychiatric inpatients by family members and partners, May 531-533

Predicting dangerousness (letter, reply), Apr 430-431

Prevalence and characteristics of physical and sexual abuse among psychiatric outpatients, Feb 189-191

Quality and use of trauma histories obtained from psychiatric outpatients through mandated inquiry, Feb 165-169. Also see Corroborating sexual abuse (letter, replies), July 764-765; and Corroborating sexual abuse, revisited (letter), Dec 1393

Severe aggression and related conduct problems among runaway and homeless adolescents, Jan 75-80

Sexual abuse assessment on admission by nursing staff in general hospital psychiatric settings, Feb 159-164. Also see Corroborating sexual abuse (letter,

replies), July 764-765; and Corroborating sexual abuse, revisited (letter), Dec 1393

Suits against clinicians for warning of patients' violence (law & psychiatry), July 683-684

Total quality management and the reduction of inpatient violence and costs in a forensic psychiatric hospital, July 751-754

Training and experience of psychiatric residents in identifying domestic violence, May 529-530

#### Women's health

Characteristics of homeless women living in London hostels, Feb 196-198

Comorbidity of DSM-III-R axis I and II disorders among female inpatients with eating disorders, Apr 426-429

Comprehensive prenatal and postpartum psychiatric care for women with severe mental illness, Oct 1108-1111

HIV infection and risky sexual behaviors among women in treatment for noninjection drug dependence (alcohol & drug abuse), Nov 1197-1199

Is adaptive coping possible for adult survivors of childhood sexual abuse? Feb 186-188

Issues in the treatment of lesbian women and gay men with chronic mental illness, Oct 1093-1098

Sexuality, pregnancy, and childrearing among women with schizophrenia-spectrum disorders, May 502-506

"Sylvia Frumkin" has a baby: a case study for policymakers, May 497-501

VA services for women (letter, reply), Apr 431-432

#### Work

Adding a vocational focus to mental health rehabilitation, Nov 1216-1222

Consumers as employees in mental health: bridges and roadblocks (rehab rounds), Sept 939-940,943

Day treatment versus supported employment for persons with severe mental illness: a replication study, Oct 1125-1127

The economic life of seriously mentally ill people in the community, Mar 270-274

Employment settings of psychologists (datapoints), Aug 809

The individual placement and support model of supported employment (rehab rounds), May 473-475

Job preferences of clients with severe psychiatric disorders participating in supported employment programs, Nov 1223-1226

New developments in employee assistance programs, Apr 387-391

OSHA guidelines aim at reducing violence in health care settings, Aug 891-892

## Coming in the January issue

- ◆ The Influence of Culture on Psychiatric Assessment: The Vietnamese Refugee
- ◆ Utilization of Medicaid Mental Health Services by Nondisabled Children and Adolescents
- ◆ Psychiatric Patients' Attitudes About Medication and Factors Affecting Noncompliance
- ◆ Treating Delirium Among Elderly Patients
